# Introduction

**A Bay Area man has made a major discovery concerning the phenomenon of voices. He has documented the discovery with signed and notarized affidavits. The declarations are from established business owners in the greater bay area. They should not be taken lightly as this is a very serious matter that concerns the lives of human beings all over the globe who may be at this very moment under pressure and moving towards harming themselves and/or others.**

**Any attempt to express concern is welcome but be advised the statements concerning the facts of the affidavits are true and require serious responses that would pertain solely to providing quality interactions by qualified educators that are prepared to provide answers for the millions who suffer from these disorders usually characterized by withdrawal from reality.**

# Letter to the Media

This is to inform the Media,

This is the beginning of a powerful discloser that concerns the entire inhabited Earth. It will address the stigma's surrounding the phenomena and controversy of humans afflicted with hearing voices and the deeper mind intrusions that go unnoticed and the events that follow.

As the awareness begins, please keep this fact in mind: This is for the purpose of creating a new foundation of knowledge for humans everywhere and needs the media's accountability and respect. I will not continue to disclose to individuals who are not capable of considering this matter appropriately and the welfare of the individuals involved. The lives of many people can be saved if those that handle these affairs follow certain guidelines and maturely cover what is revealed or many under pressure from voices may arrive at wrong conclusions and harm themselves or others. This responsibility is great and must be examined fully before any conclusions are made.

To begin with a demonstration will be arranged for those that can be accountable to society and their employers and the news media. Approach this with an open mind and the assured expectation of examining and confirming that voices are being produced can be from outside of the mind and has come about by design not by human desire. After the demonstration, a discloser will inform you about what has just taken place, when the time is right the next set of disclosures will begin and an entirely new set of disclosures will be released.

*Sincerely,  
Phillip Garrido*

# A Call to Action

**This is an unprecedented leap forward in the advancement of knowledge**

**Just think...This is the first time in history that a man has come forward confirming he can produce a set of voices confirming a power unknown to man. Thousands of people all over the world will benefit from this knowledge. In Russia alone their hospitals are filled to capacity with innocent victims.**

**This will provide some insight and knowledge needed to confront this problem that we all face in one way or the other.**

**We must give him our support and join this endeavor, ending this powerful scotoma we live under.**

**All victims and survivors of voices will come forward and tell their stories for the first time. They will be united with one common goal the freedom to be heard!**

# A Challenge That Saves Lives:

**Having the opportunity to examine these issues relates to our past, present and future. In order to examine you must take the initiative to overcome your internal paranoia.**

**Here is the challenge: Due to the nature of this subject and the lives it would save I challenge you to step aside for one moment and dismount this state of distrust so common to us all and provide the medical field with an eye opening awareness and begin examining one of the most powerful discoveries of this century.**

**Respond by taking action or expose me for such an erroneous claim and insulting the laws that govern the State of California.**

**Simply respond in a mature manner along with a reasonable reply as to why you would be unable to follow through on this matter. Leaving this matter to a no response reinforces a state of deception so prominent and pronounced that we end up strenuously refusing the due**

**The following affidavits have been witnessed by a legal notary public.**

**They are to verify the fact that those who signed the statements heard and confirmed the ability, that Phillip Garrido, demonstrated.**

DECLARATION  
Of  
AFFIRMATION

This document is to affirm that I Phillip Garrido have clearly demonstrated the ability to control sound with my mind and have developed a device for others to witness this phenomena. By using a sound generator to provide the sound, and a headphone amplification system, *(a device to focus your hearing so as to increase the sensitivity of what one is listening to)* I have produced a set of voices by effectively controlling the sound to pronounce words through my own mental powers.

So I [REDACTED] state that in the month of June 2006, I witnessed Phillip provide a demonstration at my place of business, controlling a voice or set of voices that are unearthly in nature. I have signed this affirmation to confirm my witnessing of this event.

Concerning the state of Phillips' mindfulness and his freedoms to conduct himself appropriately: I will confirm that out of the many years I have interacted with him, business or otherwise, he has always acted mature and intelligent. He has had a steady personality throughout the many years I have known him and is fully capable of handling himself respectfully regardless of the possible out come of any given event. He has never displayed an unsuitable, incoherent or improper cognitive behavior all the years I have known him, nor has he ever mentioned the subject of him hearing voices to my staff or me.

1 CORINTHIANS 13:1

*If I speak in the tongues  
of men and of **angels...**  
but have not love. NIV*

**This begins by love.**

**" Jeremiah 21:12 `Administer justice every morning;  
rescue from the hand of his oppressor the one who has  
been robbed.**

1 CORINTHIANS 14:22

**Tongues, then, are a sign,  
not for believers but for  
unbelievers.**

**The reason is to wake up all the nations resources by  
demonstrating a power unknown to man and  
generate an immediate attention world wide  
allowing us to know who God is and who  
undermined the order and quality of developing man  
on earth. Allowing science to see God and know  
what controls we will need to provide.**

If I come to you and **speaking in tongues** what good will I be to you, unless I bring you some **revelation** or **knowledge** or prophecy or word of **instruction?** NIV

**What I have to deliver belongs to God and is for everyone as the creator has provided the freedom to open doors that no one can shut allowing your eyes to see and your ears to hear. It is for unbelievers.**

## **1 Corinthians 1:20-25**

**God was pleased through the foolishness of what was preached to save those who believe. 23but we preach Christ crucified: a stumbling block to Jews and foolishness to Gentiles.**

**2 CORINTHIANS 5:13**

**If we are out of our mind, it is for the sake of God; If we are in our right mind, it is for you. NIV**

**2 CORINTHIANS 11:23**

**Are they servants of Christ? (I am out of my mind to talk like this.) I am more. I have worked much harder, been in prison more frequently, been flogged more severely, and been exposed to death again and again. NIV**

**This is about Jesus**

**Mark 3:21-35 When his family heard about this, they went to take charge of him, for they said, "He is out of his mind". NIV**

**Through men of strange tongues and through the lips of Foreigners I will speak to this people, but even then they will not listen to me.**

**The purpose of this package is to open the eyes  
of everyone worldwide.**

**The first and foremost goal is to save lives through an  
internal investigation into this matter.**

**The second purpose is to provide a world witness  
concerning the design of the human mind  
and where this is leading us to.**

**So it is of the utmost importance that you recognize  
the freedom I have is a gift designed by the Creator to  
re-open the bible for all non-believers, as the evidence  
concerning voices has been kept in a state of affairs  
and surrounded by the words, "Not Possible".**

**This has happened in order to wake up the educators  
to a new reality that changes every single chapter in  
the bible to a entirely new disclosure.  
No longer having disharmony.**

*Thank you and don't fail to reply.*

*The people who believe and are involved with religion have been doing so  
for the purpose of God. This disclosure does not change their rights or love  
for God because their understandings and hard work is dearly loved by God.  
But God will expect them to hang on to their beliefs because He will bring in  
the full number of the Gentiles and if they attack this they will be hardening  
their hearts to the love God wants to give to all human beings. The Creator  
will not allow me to judge any of them instead He is telling me that when  
they come and sit down I am to hand this knowledge over to them, for it  
belongs with them.*
