The truth cannot be stopped, this one goes out for all the truthseekers!

19 / 06 / 2012 (00:07 UTC+1) - **UPDATE: Double Agenda**

Did you noticed the proposed ZT about myself claimed(

<http://poleshift.ning.com/profiles/blogs/disgruntled-former-moderator>)

[...]

This issue will blow past within a day, given no credence by the public who sees the accuracy of ZetaTalk and is amazed at Nancy’s ability to deal with many scientific issues.

[...]

So, did this issue blowed past within a day given no credence by the public?

Lets recap,

- The PS-Ning is almost standing still. (One new posting in the last 24+ hours)
- The former PS-Facebookpage has the longest discussion EVER,
- Members are starting to question certain matters on the PS Ning, such as the “RedFilter-images” on the PX-related posting,
- People are still discussing and pondering about the issue (as can be seen from the links above),
- Such as hundreds of people are still reading the document daily!

Does this look like it “blowed past within a day given no credence by the public”?

Well, you decide, once again. ;)

However, to give you my opinion about that posting and why Nancy claimed this stuff: Well of course the Moderator’s were greatly confused as to why I did all this and as such were strongly demanding an Answer from Nancy. (Since they believe she is in contact with mind-reading ET’s).

Of course Nancy instantly knew what my “Exposal” was about, so she went to write the “disgruntled Moderator posting”, including her usual “Fake-ZT”, **that ACTUALLY was aimed at the Moderators!**

Why would Nancy state that this would blow past within a day, given no credence by the public when the opposet seems to be the case?

Why did she said I was being remote-viewed, while it was EXACTLY, what I expected and told the public?

Well, thats Nancy’s way of trying to calm down panicking Moderator’s by suggesting them “Ohhh don’t bother to read or think about this issue, its no biggie! It will blow past within a day! Trust me! He was remote-viewed, and they are targeting us once again” (<< by suggesting me logical thoughts or what? Please Moderators forget that RV-BS! **She tries once again to have you anything, but reading and thinking for yourself!)**

18 / 06 / 2012 (03:54 UTC+1) - **UPDATE: Dirty Methods**

Did similar cases occurred in the past, where Moderator's noticed mismatch with FACTS and where drawn out? YES! http://website.lineone.net/~brian_gillbanks/tttakeover.htm
Taken from: <http://earthchanges.ning.com/profiles/blogs/another-one-bites-the-dust>

18 / 06 / 2012 (02:30 UTC+1) - **UPDATE: Kindergarten!**

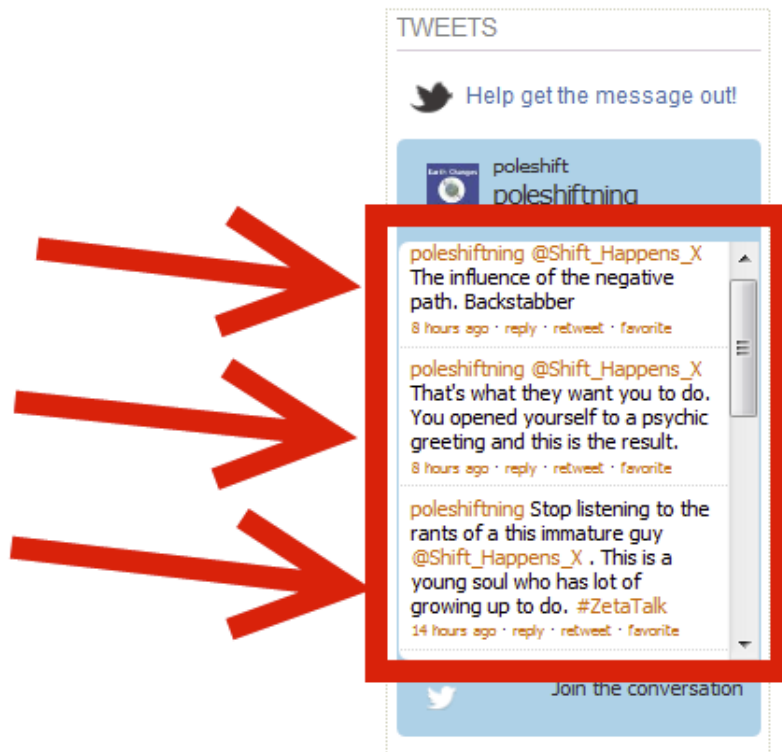

As you may have seen on the Twitter-widget, the Moderator's bring up very good arguments as to why discard my analysis (NOT).

Beside my Twitter-account was "*Planet_X*" and not "*Shift_Happens_X*" (lol?) , the Moderator's are obviously not able to put their emotions aside and I would highly suggest them to **calm down and stop suggesting people precast opinions!**

Do you think people are dumb? They will be able to figure out for themselves and you are only confirming the case that you're not able to read the analysis with an open mind!

Is it my fault that Nancy's claims do not fit with reality? **NO!**

TIME TO WAKE UP, MODERATORS!

18 / 06 / 2012 (00:12 UTC+1) - **UPDATE: Silent Admissions!**

Firstoff, the “disgruntled Moderator”posting, <http://poleshift.ning.com/profiles/blogs/disgruntled-former-moderator> was not composed by Gerard. (I know him for years now and I guess if necessary he will admit himself that **Nancy has written this!**).

Second, by not adressing the obvious mismatch with FACTS and ignoring most of the claims altogether, except by claiming the Z’s allowed her to make the “Neumayer mistake” to draw me out, **while lying to all the public** and of course is **no suprise** and does not change the FACT that the Neumayer-images STILL prove that they are lenseflares, such as the ZT doesn’t change any validity of the other cases! -

Nancy admits that,

- I am who I claim to be, (Of course, because she and the Moderators know me very well)
- She removed postings on the Moderator’s Ning while there are no space problems at all. (Because she had to alter existing ZT, bring up new ZT or because it was just too obvious that her claims do not fit with FACTS, i.e. considered “causing doubts”)
- Is giving “personal ZT” in exchange for people who “voluntarily” offer her financial means, by violating her own rules. (Of course, because these people themselves can confirm)
- and admitting the claim that former Moderator’s are supposed to be “BlackOperations”, Fakes such as she brought Maria into this story (by VIOLATING the privacy of this innocent woman that awake from Nancy’s charade and then claimed to be a fake to have the Moderators avoid any contact with her!)
- such as admitting the analysis below **is not** incorrect!

Now you may ask, why did Nancy had to admit these facts?

Well, she has control over the Moderators, but not to the extend that they consciously lie at people! They all know these claims are true and Nancy's response **CONFIRMED!**

16 / 06 / 2012 UPDATE - Nancy's expected response and CASE 5 - "Fake Maria":

<http://poleshift.ning.com/profiles/blogs/disgruntled-former-moderator>

As suspected Nancy is now claiming I was a victim of "Remote Viewing" in order to let people believe that these obvious contradictions to reality ,i.e the analysis below, couldn't be true, given the "Accuracy" she collected over the years. (Her best argument, since she managed to include a lot of authentic information into her claims, however, **they still remain wrong in detail.** :)

SUCH AS SHE WANTS YOU TO BELIEVE ANYTHING, BUT READING AND DRAWING YOUR OWN CONCLUSIONS!

As usual:

If Nancy gets confronted with the truth she either accepts it quietly, or she hunts you down by using her daily means of Manipulation:

- **Bringing up your ego or human status** (as she'd probably love to do in my case)
- **or something with yourself as an argument** (which is no argument at all),
- **or letting you look bad in any way to put you on the defense,**
- **bring up previous „ZetaTalks“ to underline her „validity“ (though they mostly dont address the cases altogether),**
- **or suggesting the Moderators constant „Remote viewing attacks“ (as she hinted on this blog: <http://poleshift.ning.com/profiles/blogs/new-zetataalk-on-psyhic-attacks-from-remote-viewers-are-you-a-key>) to suggest them that any negative thoughts they have about ZT are not their own which lets them actively supress them altogether,**
- **or constant suggestion of mind reading ET's in order to create more blockades in the mind to discard any further negative thoughts about Zetataalk,**
- **....and many more techniques which are not so important at this point.**

In all: Means of manipulation to stop you questioning ZT and blindly believe anything Nancy says.

and,

What (of course) was to to be expected from Nancy?

She will come-up with some reason to discard what I am writing here, not adress it at all, or claim that im a blackOps or some other BS (which is unlikely to occur because she knows I can prove my identity if needed).

Or she might be claiming that I was being „Remove viewed“ and was set on a mission to spread „Doubts“ among the Moderators and the public, so basically her usual mind-tricks to dont get you question it altogether or discard any more research.

She will say anything, **but the truth.**
